Personal information

Family name: Tabatabaei

Name: Seyed Mehdi

Gender: Male

Nationality: Iranian

Marital status: Married

Address: School of Public Health, Zahedan University of Medical Sciences, Khalij-e-Fars Blvd, Zahedan, I.R. of Iran

Phone: +98 (054) 33372013

Fax: +98 (054) 33372003

Email: zu.healthdeputy@gmail.com

Website: <https://zaums.academia.edu/SeyedMehdiTabatabaei>
<https://en.zaums.ac.ir/Advisor-to-Chancellor-for-International-Affairs>

ORCID ID: <https://orcid.org/0000-0002-0618-7676>

A) Education:

PhD (Epidemiology)

University of Western Australia, the School of Population Health (2005_ 2009)

PhD dissertation title: "[The relationship between dietary factors, meat consumption, Heterocyclic amines \(HCAs\), Benzo\(a\)pyrene and colorectal cancer in Western Australia](#)".

MD (General Medicine)

Zahedan University of Medical Sciences, Zahedan, I.R. of Iran, (1990-1997)

MD dissertation title: "Determination of glomerular filtration rate (GFR) in major beta thalassemia patients, Zahedan pediatric hospital, 1997"

B) Current Position

- **May 2022- present:**

Advisor to Chancellor for International Affairs, Zahedan University of Medical Sciences, Zahedan, Islamic Republic of Iran

C) Academic Employment

- **April 2020- present**

Associate Professor, Academic member of Epidemiology and Biostatistics Department, School of Public Health, Zahedan University of Medical Sciences

- **April 2012- April 2020**

Assistant Professor, Academic member of Epidemiology and Biostatistics Department, "School of Public Health", Zahedan University of Medical Sciences

- **September 2009- April 2012**

Lecturer, the School of Public Health, Zahedan University of Medical Sciences, Zahedan, I.R. of Iran

- **February 2009- September 2009**

Lecturer, School of Population Health, University of Western Australia

- **February 2007- November 2008**

Associate Lecturer, School of Population Health, University of Western Australia

D) Professional Experiences & Services:

- **November 2023- present**

Member of “*Quaternary Prevention Committee*”, Iran Health Insurance Organization, Sistan and Balouchestan Province, Iran

- **November 2009- May 2022**

Vice Chancellor for Health & Head of Provincial Health Center, Zahedan University of Medical Sciences

- **July 2012-present**

Academic member of “*Health Promotion Research Center*”, Zahedan University of Medical Sciences

- **May 2012- 2018**

Academic member of “*Pregnancy Health Research Center*”, Zahedan University of Medical Sciences

- **June 2011- 2018**

Academic member of the “*Infectious and Tropical Diseases Research Center*”, Zahedan University of Medical Sciences

- **July 2023- present**

Senior Editor of Epidemiology and the Burden of Diseases in Health Care System and Prevention of Diseases of “[*Depiction of Health*](#)” Journal, Tabriz Health Services Management Research Center, Tabriz University of Medical Science, Tabriz, Iran

- **October 2013- present**

Associate Editor of “[*International Journal of Infection*](#)”, the journal of the Infectious and Tropical Diseases Research Center, Zahedan University of Medical Sciences, Zahedan, Iran

- **October 2013- present**

Associate Editor of “[*Health Scope*](#)” Journal, Health Promotion Research Center, Zahedan University of Medical Sciences, Zahedan, Iran

- **June 2018-present**

Member of “*Internationalization of Medical Education Committee*”, Zahedan University of Medical Sciences

- **December 2016-present**
Member of “*Medical Errors Management Committee*”, Zahedan University of Medical Sciences
- **May 2016-present**
Member of “*Hospitals Infection Control Committee*”, Zahedan University of Medical Sciences
- **May 2012- 2016**
Member of “*Ethics Committee Council*”, Zahedan University of Medical Sciences
- **February 2011- 2018**
Member of “*Research Council*”, Zahedan University of Medical Sciences
- **September 2010**
Member of scientific board for students’ scientific Olympiad (Health care Management), Zahedan University of Medical Science
- **November 2009- 2022**
Secretary of the “*Provincial Health and Food Security Council*”, Zahedan, I.R. of Iran
- **November 2009- present**
Member of Research Council, Zahedan University of Medical Sciences, Zahedan, I.R. of Iran
- **January-August 2008**
The School of Population Health students’ representative at the School of Population Health Executive Committee (SEC), University of Western Australia
- **January- August 2008**
The School of Population Health Postgraduate Society president, University of Western Australia
- **November 2002 – 2004**
Elected supervisor for Zahedan General Practitioners Assembly
- **July 2001- 2004**
Head of Zahedan Health Center, Capital of Sistan & Balouchestan Province, I.R. of Iran
- **July 2001 - 2004**
Secretary of Zahedan City Health & Social Welfare Council
- **September 1998 - July 2001**
Head of Zabol Health Center & Health Deputy, Zabol Faculty of Medical Sciences, Zabol, Iran
- **Sep 1998 - July 2001**
Secretary of Zabol City Health Council
- **March 1998 - September 1998**
Head of Zabol Tuberculosis Coordination Center, Zabol, I.R. of Iran
- **September 1997- March 1998**
General Practitioner in Rural Health Center, Zabol, I.R. of Iran
- **September 1996- March 1997**
Head of “*Students Research Center*”, Zahedan University of Medical Sciences

C) Research:

Current Projects

- Reyhaneh shenasi, **Seyed Mehdi Tabatabaei**, Abolfazl Payandeh, Marzieh Ghasemi, “Investigating the factors related to adverse outcomes of pregnant women with covid-19 in the areas covered by Zahedan University of Medical Sciences during the years 2020-2021”
- **Seyed Mehdi Tabatabaei**, Abolfazl Payandeh, Mohammad Salari, Zahra Sargazi Moakhar, Tahereh Mokhtari, Maryam Ghorbani, “Assessment and prioritizing the social needs of the families of patients with Covid-19 in Zahedan city, 2020-2021: An application of analytic hierarchy process (AHP)”
- Marziyeh Ghasemi, Abolfazl Payandeh, **Seyed Mehdi Tabatabaei** “*Prevalence of infertility and related factors to females’ infertility in Sistan-and-Baluchestan province, 2019*”

D) Conferences and presentations:

1. Zohreh Gozidehkar, Seyed **Mehdi Tabatabaei**, Abolfazl Payandeh, Alireza Salimi Kharashad, Malihe Metanat
“*Estimation of the prevalence of hepatitis B infection and its related factors in pregnant mothers referring to the central laboratory of Zahedan, 2019*”
 - 13th University Students Conference on Innovations in Health Sciences
 - 10-11 November 2020, Tehran, Iran (Poster presentation)
2. Peyvand M. Zangane Baygi M. **Tabatabaei S.M.**
“*Identifying the Challenges of Optimal Human Resource Management in the Iranian Blood Pressure Campaign: A Qualitative Study*”
 - 13th University Students Conference on Innovations in Health Sciences
 - 10-11 November 2020, Tehran, Iran (Poster presentation)
3. **Seyed Mehdi Tabatabaei**, Jalil Nejati, Abdolghafar Hasanzehi, Ali Naghizade
“*Surveillance of dengue vectors; what has been done by health system in southeastern Iran?*”
 - Vector-Borne Diseases and Climate Change & 3rd Iranian National Congress Medical Entomology
 - 3-5 December 2017, Tehran, Iran (oral presentation)
4. **Seyed Mehdi Tabatabaei**, ^{Fateme} Behmanesh Pour, Jamshid Ordoni Avval, Saeede Osmani, Sedighe Mokhtari, Maryam Aghebat Bekheyr
“*Occupational exposure to blood and other body fluids among health care workers in three teaching hospitals, southeast Iran*”
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)
5. **Seyed Mehdi Tabatabaei**, Saeede Osmani, Fateme Behmanesh Pour
“*Epidemiology of hospital-acquired infections in a tertiary care teaching hospital in Zahedan, southeast Iran*”
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)

6. Jamshid Ordoni Avval , **Seyed Mehdi Tabatabaei** , Maryam Aghebat Bekheyr Fateme Behmanesh Pour
"Levels of anti-HBsAg antibodies among health care workers in a trauma hospital, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)

7. Hannane Azade, **Seyed Mehdi Tabatabaei**,^{Fateme} Behmanesh Pour
"Infection Control Program Management in Labor Units in Public Hospitals in Zahedan, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)

8. **Seyed Mehdi Tabatabaei**, Sara Salar, Maryam Zaboli, Mohamad Salari, Paridokht Sharaki, Simin Nura, Hamid Moradgholi, Zaynab Poorzahabi
"Prevalence of high blood pressure and associated risk factors among high school students of Zahedan, Southeast Iran, 2013"
 - 2nd National Congress on Children and adolescents' health
 - 1-3 January 2015, Zahedan, Iran (oral presentation)

9. Zahra Metanat, Yousef Shafeghati, **Seyed Mehdi Tabatabaei**
"Case report: Unilateral kidney agenesis in a child with Fraser syndrome "
 - 2nd National Congress on Children and adolescents' health
 - 1-3 January 2015, Zahedan, Iran (oral presentation)

10. **Tabatabaei Seyed Mehdi**, Hassanzehi A,
"Crimean Congo hemorrhagic fever case fatality and associated factors in southeast of Iran, 1999-2012"
 - 16th Internal Congress on Infectious Diseases
 - 2-5 April 2014, Cape Town, South Africa (poster presentation)

11. **Tabatabaei Seyed Mehdi**, Salimi Khorashad A, Abili M. I, Narouei M.
"Patterns of antimicrobial resistance in vibrio cholera strains isolated from patients with acute watery diarrhea during a cholera outbreak in southeast of Iran in summer 2013"
 - 16th Internal Congress on Infectious Diseases
 - 2-5 April 2014, Cape Town, South Africa (poster presentation)

12. Mostafavi Ehsan, Esmaeili Saber, Esfandiari Behzad, Pourhossein Behzad, Bagheri Amiri Fahimeh, **Tabatabaei Seyed Mehdi**
"Seroprevalence of Brucellosis among butchers and slaughterhouse workers in south-eastern Iran"
 - 5th National Congress of Brucellosis
 - 29-31 October 2013, Tehran, Iran (poster presentation)

13. Kazemi Kiyomars, Karimian Hassan, **Tabatabaei Seyed Mehdi**, Bazrafshan Edris, Noori Mohammad Amir
"Bacterial contamination of water in dental units in the city of Chabahar 90"
 - 16th National Environmental Health Conference
 - 1st-3rd October 2013, Tabriz, Iran (oral presentation)

- 14. Tabatabaei S.M,** Khajealijahantight M, Zaboli M, Yadolahi S, Moudi A, Sargazi F, Soliemani F
"The effectiveness of a training package for parents of injured children under 8 years discharged from hospital in Zahedan on home safety awareness and improvement"
- The first International Congress on Clinical Governance and Patient Safety
 - 27-28 January 2013, Tehran, Iran (oral presentation)
- 15. Roya Alavi-Naini, Tabatabaei Seyed Mehdi,** Malihe Metanat, Malek Kiani, Jalil Nejati, Mohammad Sakeni,
"Malaria in Children (Balouchestan, South-eastern Iran)"
- International Congress on Malaria Elimination
 - 25th- 27th January 2012, Kish Island, Iran (poster presentation)
- 16. Malihe Metanat, Batool Sharifi-Mood, Seyed Mehdi Tabatabaei,** Roya Alavi-Naini, Mohammad Sakeni, Nahid Sepehri-Rad
"Mixed Malaria Infections in Sistan & Balouchestan from 2006 to 2010"
- International Congress on Malaria Elimination
 - 25th- 27th January 2012, Kish Island, Iran (poster presentation)
- 17. Abdolghaffar Hassanzehi, Seyed Mehdi Tabatabaei,** Malek Kiani
"Epidemiology of Brucellosis in Zahedan University of medical Sciences from 2009 to 2011"
- 4th National Iranian Congress of Brucellosis
 - 13th- 15th December 2011, Tehran, Iran (poster presentation)
- 18. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew
"Meat-derived mutagenic activity and the risk of colorectal cancer"
- The 9th Congress of International Epidemiological Association
 - 6-11 August 2011, Edinburgh, Scotland (poster presentation)
- (J Epidemiol Community Health 2011;65: A304 doi:10.1136/jech.2011.142976k.31)*
- 19. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew
"Dietary intake of heterocyclic amines (HCAs) and the risk of colorectal cancer"
- The First International Congress on Nutrition and Cancer
 - May 2008, Antalya, Turkey (oral presentation)
- 20. Chad Green, Heyworth Jane, Tabatabaei Seyed Mehdi**
"Low levels of tea consumption not associated with colorectal cancer"
- The First International Congress on Nutrition and Cancer
 - May 2008, Antalya, Turkey (oral presentation)
- 21. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew
"Meat consumption, cooking practices and the risk of colorectal cancer"
- The Australasian Epidemiological Association Annual Conference
 - August 2007, Hobart, Australia (oral presentation)
- (Joint Scientific Meeting of the AEA and the IEA Western Pacific Region, Australia, 14, pp. 55)*
- 22. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew, and WABOHS study team
"Can people reliably report the difference in meat consumption 10 years ago vs. last year: Results from a 2-arm study?"
- The Second Cancer Research Symposium
 - March 2007, Perth, Western Australia (oral presentation)

- 23. Green Chad, Tabatabaei Seyed Mehdi,** Clayforth Cassandra, Heyworth Jane and WABOHS study team
“Tea consumption and colorectal cancer”
- The Second Cancer Research Symposium
 - March 2007, Perth, Western Australia (oral presentation)
- 24. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew, WABOHS study team
“Test re-test reliability of the Western Australian Bowel Health (WABOHS) study meat consumption questionnaire”
- The Australasian Epidemiological Association Annual Conference
 - September 2006, Melbourne, Australia (poster presentation)
 - Australasian Epidemiologist, Vol. 13, No. 3, Sept 2006: 114
- 25. Tabatabaei Seyed Mehdi,** Heyworth Jane, Fritschi Lin, Knuiman Matthew, WABOHS study team
“The Relationship between dietary risk factors, methyl-group intake, heterocyclic amines and the risk of colorectal cancer in Western Australia”
- The Fifth Western Australia Cancer Conference
 - October 2005, Perth, Western Australia (oral presentation)
- 26. Salimi Khorashadi. Alireza, Tabatabaei, Seyed Mehdi,** Sargolzaei.M
“The role of laboratory control in proper implementation of DOTS and lowering recurrence rates in Tuberculosis patients, Zahedan, Iran 2002”
- The 17th national congress on tuberculosis
 - 14–16 Oct 2003, Isfahan, Iran (oral presentation)
- 27. Hosseini Tabatabaei, M.T, Tabatabaei, Seyed Mehdi**
“Determination of Glomerular Filtration rate (GFR) in major beta Thalassemia patients, Zahedan pediatric hospital 1997”
- The 9th international Thalassemia and hemoglobinopathies conference
 - 15-19 Oct 2003, Palermo, Italy (poster presentation)
- 28. Hosseini Tabatabaei, M.T, Tabatabaei, Seyed Mehdi**
“Determination of Glomerular Filtration rate (GFR) in major beta Thalassemia Patients, Zahedan pediatric hospital 1997”
- Congress on the complications of Thalassemia in adolescents
 - 2-4 May 2002, Tehran, Iran (oral presentation)
- 29. Ghashghaei, G.R, Tabatabaei, Seyed Mehdi,** Ansari Moghadam, A.R
“Tuberculosis and poverty”
- The 16th National Congress on Tuberculosis
 - 15 – 16th Oct 2002, Zahedan, Iran (oral presentation)
- 30. Ansari Moghaddam, A.R, Ghashghaei , G.R, Tabatabaei , Seyed Mehdi et al.**
“The role of sanitation and family planning in tuberculosis control”
- The 16th National Congress on Tuberculosis
 - 15 –16 Oct 2002 Zahedan, Iran (oral presentation)

31. Ordoni Jamshid, Tabatabaei Seyed Mehdi

“Epidemiology of Crimean–Congo Hemorrhagic Fever (CCHF) in Sistan and Balouchestan province 2001”

- The first congress on Crimean–Congo hemorrhagic fever
- Sep 2001 Zahedan , Iran (oral presentation)

32. Tabatabaei, Seyed Mehdi

“An overview of Transmissible Spongiform Encephalopathies (TSEs) and vCJD (variant Creutzfeld – Jakob disease)”

- The first congress on Mad Cow Disease (BSE),
- 11 June 2000, University of Zabol , Zabol, Iran (oral presentation)

33. Tabatabaei, Seyed Mehdi

“Epidemiology of Eltor in Zabol district during 1997 – 1999”

- The conference on epidemiology of water – borne diseases in Sistan region
- July 2000, University of Zabol, Zabol, Iran (oral presentation)

F) Teaching Experiences:

- Delivering teaching sessions on *Epidemiology of Non-communicable diseases*, **Medical students**, Zahedan University of Medical Sciences, 2024--present
- Delivering teaching sessions on *Managerial Epidemiology*, **Masters of Epidemiology students**, Zahedan University of Medical Sciences, 2019--present
- Delivering teaching sessions on *Epidemiology of non-communicable diseases*, **Masters of Epidemiology students**, Zahedan University of Medical Sciences, 2014--present
- Delivering teaching sessions on *Epidemiology of communicable diseases*, **Masters of Epidemiology students**, Zahedan University of Medical Sciences, 2014--present
- Delivering teaching sessions on *Medical Terminology*, **Medical students**, Zahedan University of Medical Sciences, 2023-present
- Delivering teaching sessions on *Principles of Epidemiology*, **Masters of Parasitology students**, Zahedan University of Medical Sciences, 2021-present
- Delivering teaching sessions on *Principles of Epidemiology*, **Masters of Community Nursing students**, Zahedan University of Medical Sciences, 2021-present
- Delivering teaching sessions on *Environmental Epidemiology*, **Masters of Environmental Health students**, Zahedan University of Medical Sciences, 2020--present
- Delivering teaching sessions on *Research Methodology*, **Masters of Physiotherapy students**, Zahedan University of Medical Sciences, 2019--present
- Delivering teaching sessions on *Research Methodology*, **Bachelors of Food Sciences & Technology students**, Zahedan University of Medical Sciences, 2023--present
- Delivering teaching sessions on *Research Methodology*, **Bachelors of Anesthesiology students**, Zahedan University of Medical Sciences, 2020--present
- Delivering teaching sessions on *Principles of Epidemiology, Nursing and Midwifery, and Nutritional sciences students*, Zahedan University of Medical Sciences, 2009-present
- Delivering teaching sessions on *Epidemiology of communicable and non-communicable diseases, English for Health Professionals, Iran geographical pathology*, **Public Health students**, Zahedan University of Medical Sciences, 2009-2012
- Delivering teaching sessions on *English for Health Professionals*, **Occupational Health students**, Zahedan University of Medical Sciences, 2009-2010
- Teaching *Dental Public Health*, **Dentistry students**, Zahedan University of Medical Sciences, 2010
- Mentoring **Family Physician MPH students**, *Principles of Family Physician & The health care delivery system and managed care, Health program planning & evaluation*, Zahedan University of medical Sciences, 2010-2012

- Delivering teaching sessions on *Health information technology* to ***Epidemiology, Parasitology, Health Education and Environmental Health Master students***, Zahedan University of medical Sciences, 2010-present
- Tutoring *Foundation of Clinical Practice* course, ***Year 1 Medical students***, University of Western Australia, 2007-2009

G) Thesis & Dissertation Supervision:

1. Co-supervising Shahnaz Sargazi's Environmental Health PhD thesis project entitled "*Evaluation of the concentration of polycyclic aromatic hydrocarbons (PAHs) in coffee shops and its cytotoxic effect on oral cancer cells(C125(KB))*"
2. Supervising Reyhaneh Shenasi's Epidemiology Masters (MSc) thesis project entitled "*Investigating the factors related to adverse outcomes of pregnant women with covid-19 in the areas covered by Zahedan University of Medical Sciences during the years 2020-2012*"
3. Supervising Farzaneh Vakili's Epidemiology Masters (MSc) thesis project entitled "*Evaluation of exposure to second-hand tobacco smoke and its associated factors in high school students in Zahedan 2022*"
4. Supervising Shahriyar Khosravi, MD degree thesis project entitle, "*The prevalence and causes of covid-19 vaccine hesitancy among cancer patients and dialysis patients in Ali ibn Abi Talib (PBUH) hospital of Zahedan, southeast of Iran in 2022*"
5. Supervising Abede Arzani's Epidemiology Masters (MSc) thesis project entitled "*A survey on the pattern of use of blood and blood products and compliance with hemovigilance guidelines in pregnant women admitted to Ali Ibn Abi Talib (AS) hospital in Zahedan in 2019*"
6. Supervising Zohre Gozide kar's Epidemiology Masters (MSc) thesis project entitled, "*Prevalence of hepatitis B infection in pregnant women and determination of viral load in HBsAg positive pregnant women in third trimester of pregnancy in Zahedan, 2019*"
7. Supervising Abed Neshan's Epidemiology Masters (MSc) thesis project entitled, "*Determination of the Prevalence of Consanguineous Marriages and its associated Factors in couples attending Zahedan Pre- Marriage Counseling Center in 2020*"
8. Co-supervising Vahed Baksh Balouch's Epidemiology Masters (MSc) thesis project entitled "*Estimating the Prevalence of High-Risk Behaviors among Students of Zahedan University of Medical Sciences Using Network Scale-up, Proxy Respondents and Direct Methods in 2020*"
9. Co-supervising Dr. Neda Sadat Torab Jahormi Infectious Diseases Specialty (MD) degree thesis project entitled "*Evaluation of the diagnostic value of virus antigen in serum, urine and saliva in Crimean-Congo Hemorrhagic Fever (CCHF) patients*"
10. Supervising Dr. Fatemeh Arabpour Dahuii MD degree thesis project entitled, "*Determination of antibiotic consumption pattern in patients admitted to Ali Ebn Abitaleb hospital of Zahedan city in 2017*", 2017-2020

11. Supervising Dr. Negin Sharifzadeh Yazdi MD degree thesis project entitled, "*The seroprevalence of anti-rubella antibodies in pregnant woman attending the Provincial Reference Laboratory for antenatal tests in the city of Zahedan in 2016*", 2016-2019
12. Co-supervising Dr. Shokoufe Mahmoodi Shan MD degree thesis project entitled: "*Evaluation of the Prevalence of hepatitis B and C viruses and HIV infection among addicts referred to Drop-in-Centers (DIC) in Zahedan, Iran, in 2017*", 2017-2018
13. Co-supervising Dr. Farzaneh Gorgani, Infectious Diseases Specialty (MD) degree thesis project entitled "*Nested Polymerase Chain Reaction Assay for molecular identification of cutaneous Leishmaniosis species using kinetoplast DNA (kDNA) gene in Mirjaveh and Rig Malek, southeast of Iran*", 2017-2019
14. Co-supervising Mr. Mehdi Shaharki, Medical Parasitology Masters (MSc) thesis project entitled "*Determination of the plasmodial contamination and identification of species by Nested-PCR method in Anopheles mosquitoes in Chabahar and Konarak districts in Sistan and Balouchestan Province, Southeast of Iran, September-December 2017*"
15. Co-supervising Mr. Abolfazl Sharifi, Epidemiology Masters (MSc) thesis project entitled "*The prevalence of malnutrition and its related factors in children aged 1-5 years old in rural areas of Zahedan 2015-2016*"
16. Co-supervising Ms. Masoumeh Arab Salmani, Epidemiology Masters (MSc) thesis project entitled "*The study of epidemiologic characteristics of measles epidemics in districts under coverage of Zahedan University of Medical Sciences, based on a mathematical model, between 2014-2015*"
17. Co-supervising Dr. Farnoosh Sharifi Mood, Infectious Diseases Specialty (MD) degree thesis project entitled "*Prevalence of respiratory viruses causing flu-like illness in patients referred to clinics and hospitals in Sistan-Baluchistan in the autumn and winter 2015-2016*"
18. Supervising Mrs. Maryam Ghorbani's Masters (MSc) degree thesis project entitled, "*Verifying the quality and consistency of immunization data in Zahedan city, southeast of Iran, 2016*"
19. Supervising Mrs. Fariba Ramezani's Masters (MSc) degree thesis entitled, "*Survey of the factors associated with birth at home in women living in Zahedan city in 2015- 2016*"
20. Co-supervising Dr. Tahere Safari, Infectious Diseases Specialty (MD) degree thesis project entitled "*Determination of cloning and sequence of Plasmodium vivax Apical Membrane Antigen 1 (AMA-1) gene in isolates from Sisatan and Balouchestan Province*", 2016-2017.
21. Co-supervising Dr. Morteza Khosravi MD degree thesis project entitled "*Evaluation of the top ten causes of death and life expectancy in Zahedan*", 2016.
22. Supervising Dr. Negar Ali MD degree thesis project entitled "*The seroprevalence of anti-measles antibodies in pregnant woman attending the Provincial Reference Laboratory for antenatal tests in the city of Zahedan in 2014*", 2014-2016.
23. Supervising Dr. Mohamad Hasan Amirian Mojarad Infectious Diseases Specialty (MD) degree thesis project entitled "*The Study of Diagnostic Value of quantitative titer of high-sensitivity C-reactive protein in detection of clinical stages of chronic hepatitis B infection*", 2016.

24. Co-supervising Dr. Sahar Reihani fam, Infectious Diseases Specialty (MD) degree thesis project entitled "*The Study of Diagnostic Value of quantitative titer of HBsAg with clinical stages of chronic hepatitis B infection*", 2016.
25. Co-supervising Minoo Mohhammd Khani's epidemiology MSc degree thesis project entitled "*The relationship between changes in malaria incidence and temperature, humidity and rainfall in Kerman, Sistan and Balouchestan and Hormozgan provinces*", 2014
26. Co-supervising Dr. Mohammad Jahangiri Nejad's MD degree thesis project entitled "*The evaluation of cutaneous Leshmaniosis epidemiology in Sistan & Balouchestan Province in 1387-1391*", 2013
27. Co-supervising Dr. Mohammad Sarraf-Shirazi's Infectious Diseases Specialty degree thesis project entitled "*Evaluation of association between serum ferritin and disease severity in patients with Crimean- Congo hemorrhagic fever*", 2010-2012.
28. Co-supervising Dr. Alireza Jahantigh's Pediatric Specialty (MD) degree thesis project entitled "*Assessment of renal tubular function in patients with beta Thalassemia Major receiving Deferasirox , Zahedan, 2010*
29. Co-supervising Dr. Mina Parsi's MPH project entitled "*Risk factors for diagnosis delay in smear-positive pulmonary tuberculosis patients, Zahedan University of Medical Sciences*", 2010
30. Co-supervising Mr. Naser Sarani's Health Promotion Master thesis project entitled "*The efficiency of health belief model in adopting tuberculosis preventive behaviors the Sistan region,1388-1389*", 2010
31. Assessment of Ms Carol Pavitt's Health Science dissertation entitled "*An investigation into the distribution, risks and transmission of Salmonellosis in Northern Western Australia*, University of Western Australia, 2007.
32. Reviewing Mr. Kodie Blay's Bachelor of Health Science Honor's proposal entitled "*Rates of infection and the sports oval irrigation system*", University of Western Australia, 2007.
33. Co-supervising Mr Chad Green's Bachelor of Health Science Honor's project on "*Tea consumption and colorectal cancer*", School of Population Health, University of Western Australia, 2006
34. Reviewing Ms. Jeri Smith's BHLthSc (Hons) project proposal entitled "*Calibration of a short food frequency questionnaire to assess folate intake in a case-control study of childhood leukemia*", University of Western Australia, 2006.

H) International agencies & NGOs grants and joint projects:

1. World Health Organization

" Straightening capacity of health system in Sistan and Balouchestan for provision of mental health services to patients with mental disorders through Community Mental Health Centers (CMHC) in amid COVID-19 pandemic, 2022/1220162-0 (2022)

2. Relief International

"Integrated support for vulnerable Afghan households in Sistan and Balouchestan province, city of Zahedan and its suburbs", (2017- 2018)

3. World Health Organization

"National consultant to develop protocol and guidelines and training materials for health volunteers in Sistan and Balouchestan province in vaccination programme to improve coverage and conduct trainings", EM-IRA-2014-APW-033(2014- 2015)

4. World Health Organization

"Training of the trainers on step by step of water safety program (WSP)", EM-IRA-2014-DFC-009(2014)

5. World Health Organization

"Consultancy services on facilitating community participation, implementation, monitoring & evaluation, reporting and documentation of larval source management (LSM) project in Chabahar, Sistan and Balouchestan, Iran", EM-IRA-2014-APW-006 (2014)

6. United Nations Population Fund (UNFPA)

"Strengthening delivery of reproductive health (RH) services in five areas of the Country", Project No, IRA/00/P07

"Strengthening reproductive health services delivery to Afghan refugees"

Project No.AFG/99/PO1

Zahedan, I.R. of Iran (June 2000)

7. United Nations Children Fund (UNICEF)

"Primary health care for Afghan refugees in Iran (1999-2002)

8. Ockenden International

"Community health development in suburban areas of Zahedan"

Zahedan, Iran (2002-2005)

9. United Nations Higher Commissioner for Refugees (UNHCR)

"Training course on primary health care and nursing skills for

Female Afghan refugees"

Zahedan, Iran (Oct –Dec 2002)

Sub project 02/ AB/IRN/ LS/407(m)

10. Médecins Sans Frontières (MSF)

"Health assistance programme for Afghan refugees in Sistan & Balouchestan Province" (2001-2004)

I) Workshops & International Professional Activities

1. Attending the " 2nd Annual Global Forum of Malaria-Eliminating Countries", **San Jose, Costa Rica**, 11-13 June 2018
2. Attending the" Seventieth Eight world Health Assembly", **Geneva, Switzerland**, 22-31 May 2017
